QUESTIONS AND ANSWERS.

Restricting power supply to rural Flour Mills and for irrigation purposes.

Q.—13. Sri R. K. PRASAD (Bangarapet).—

Will the Government be pleased to state :—

(*a*) whether it is a fact that they have restricted the power supply to the rural installations of Flour Mills and for irrigation purposes ;

(*b*) whether it is a fact no restrictions have been imposed for mining purposes ?

Sri A. G. RAMACHANDRA RAO.—(Minister for Law and Education) [on behalf of Sri K. Hanumanthaiya (Chief Minister)].—

A.—(*a*) Power supply to all the power installations on 25 cycle system inclusive of rural flour mills have been restricted due to shortage of water for Sivasamudram and Shimsha Generating Stations. Irrigation pump sets are however excluded from the power cut since these installations have been classified under essential supplies.
